Kerala IMA News Letter

OFFICIAL NEWS LETTER OF INDIAN MEDICAL ASSOCIATION KERALA STATE

**STAY HOME
STAY SAFE**

Stop Abuse Stop violence

We are no longer soft targets. Enough is enough. Across the country doctors in Government and Private sector have endured the harassment by those who neither understand science nor logistics. The modern day slavery unleashed on the medical fraternity is unacceptable. We need to rise to the occasion and take charge of the situation. Tomorrow will never forgive us.

Abuse on doctors have been well documented and needs no further proof. Abuse and violence on doctors have ceased to be of any news value and has become part of everyday scene. The day to stop this was yesterday. Soft spoken doesn't mean Soft target. Covid 19 pandemic, apart from the nature's fury shall be known for high handedness. The non science implementers of the Health Emergency deal it as if it is a law and order issue. Setting unachievable targets without adequate manpower and support staff, the districts are a rule unto themselves. Guidelines of Union Government are interpreted differently in each district of the country. It is unfortunate that the medical profession is in the crossfire. The implementation of the Epidemic Diseases Act and the Disaster management Act in districts is part of the problem rather than the solution. IMA takes the liberty to act suo moto for the medical profession. IMA is not constrained to confine its action within the realms of the profession.

Time is ripe to handover Health and related matters back to medical profession. Not only this will ensure justice to the doctors but also ensure appropriate administration of Health Care and its resources. IMA has demanded IMS: Indian Medical Services. An All India Medical Services existed till 1948. Covid 19 has given ample reasons to restore IMS. It is entirely compatible with the federal nature of the nation. Restoring Health Care to the medical profession is the panacea even for the epidemic control.

Dr R. V. Asokan

Hony. Secretary General, IMA

ഓണാശംസകൾ

പ്രിയ സുഹൃത്തുക്കളേ,

വീണ്ടും ഒരിക്കൽ കൂടി ഈ കൊറോണ കാലഘട്ടത്തിൽ ഒരു സന്ദേശവുമായി നിങ്ങളുടെ അടുക്കൽ എത്തുകയാണ്. ഈ സന്ദേശം നിങ്ങളുടെ അടുക്കൽ എത്തുമ്പോഴേക്കും ഓണം കടന്നു വന്നിട്ടുണ്ടാകും. എല്ലാ പ്രയാസങ്ങളും, ദുഃഖങ്ങളും മറക്കുന്ന ഒരു സമയമാണല്ലോ ഓണം.

ഈ മഹാമാരി നമുക്ക് ധാരാളം പുതിയ പാഠങ്ങൾ പഠിപ്പിച്ചു തന്നു. അതിൽ പ്രധാനമായിട്ടുള്ളത് നമ്മുടെ ജീവിതത്തിൽ ഒരു വലിയ മാറ്റം വേണം എന്നുള്ളതായിരുന്നു. ആ മാറ്റങ്ങളിൽ നമ്മൾ പല കാര്യങ്ങളും ഉൾക്കൊള്ളേണ്ടതായിട്ടുണ്ട്. ഏറ്റവും പ്രാധാന്യം കൽപിക്കേണ്ട ഒരു വിഷയം വ്യക്തി ശുചിത്വമാണ്. നമ്മൾ എല്ലാവരും ദിവസവും കുളിക്കുകയും, വസ്ത്രം മാറുകയും ഒക്കെ ചെയ്യുന്നവരാണ്. എന്നാൽ ഈ കാലഘട്ടത്തിൽ അത് മാത്രം പോരാ എന്ന് നമ്മൾ ഓരോരുത്തരും മനസ്സിലാക്കേണ്ടതായിട്ടു വന്നു. ഇനിയുള്ള കാലങ്ങളിൽ വ്യക്തിശുചിത്വവും, പരിസരശുചിത്വവും നാം വളരെയധികം ശ്രദ്ധിക്കേണ്ടതായിരിക്കുന്നു. മാനസികമായ അടുപ്പം നിലനിർത്തുമ്പോൾ തന്നെ നാം അകലങ്ങൾ പാലിക്കേണ്ടതായിട്ടുണ്ട്. ആവശ്യമില്ലാത്ത സന്ദർശനങ്ങൾ, അത് മറ്റ് വീടുകളിലേക്കായാലും, മറ്റ് ദൂരസ്ഥലങ്ങളിലേക്കായാലും ഒഴിവാക്കേണ്ടതായിട്ടുണ്ട്. പലകാരണങ്ങളും കണ്ടുപിടിച്ച് നമ്മൾ ആഘോഷങ്ങൾ നടത്താറുണ്ട്, നമ്മുടെ ഔദ്യോഗിക മീറ്റിംഗുകൾ ആയാലും ഒഴിവാക്കാൻ സാധിക്കുന്നത് ആണോ എന്ന് നാം ചിന്തിക്കേണ്ടതുണ്ട്. വളരെ അത്യാവശ്യം എന്ന് തോന്നുന്നവ നമുക്ക് ഉപേക്ഷിക്കാനും പറ്റില്ല. ഇവിടെ നമ്മുടെ മനസ്സാണ് യഥാർത്ഥത്തിൽ തീരുമാനം എടുക്കേണ്ടത്. നമ്മുടെ യുക്തിക്കനുസരിച്ചായിരിക്കണം ഓരോ തീരുമാനവും, ആ തീരുമാനങ്ങൾ മറ്റുള്ളവർക്ക് ബുദ്ധിമുട്ടുണ്ടാക്കുന്ന രീതിയിലാകരുത്. ഇങ്ങനെ ഒരു പ്രതിസന്ധി ഘട്ടത്തിൽ നാം പല വിട്ടുവീഴ്ചകളും ചെയ്യേണ്ടതായി വരാം. നാം ആഗ്രഹിക്കുന്നതുപോലെ പലപ്പോഴും നടന്നില്ലെന്നും വരാം. ആ സാഹചര്യങ്ങളെ മനസ്സിലാക്കി മുന്നോട്ടു പോകണം. ഈ പ്രതിസന്ധി ഘട്ടത്തിൽ ഇതുവരെയുള്ള വിജയത്തിന് കാരണം നാം ഒന്നായി പ്രവർത്തിച്ചതു കൊണ്ടാണ്. കൂടി ആലോചിച്ച് ചെയ്യുന്ന ഏത് പ്രവർത്തിയും നല്ല ഫലം തരും. ഇനിയുള്ള കാലങ്ങളിലും കൂട്ടായ പ്രവർത്തനത്തിലൂടെ നമുക്ക് വിജയം കൈവരിക്കാം.

ഒന്നായി നിന്നാൽ നന്നായി
നന്നായി നിന്നാൽ ഒന്നായി
ഒന്നായാൽ നന്നായി നന്നായാൽ ഒന്നായി....

കരുതലേകുന്ന ഹൃദയത്തോടും...
സൗഖ്യം പകരുന്ന കരങ്ങളോടും

ഈ 2020 ലെ ഓണത്തിന് എല്ലാ നന്മകളും നേർന്നുകൊണ്ട്

നിങ്ങളുടെ പ്രസിഡന്റ്
ഡോ. എബ്രഹാം വർഗ്ഗീസ്

ഓണാശംസകൾ

ഓണം.....

ഒരുമയുടെയും, സമൃദ്ധിയുടെയും ഐശ്വര്യത്തിന്റെയും പ്രതീകം. മനുഷ്യനെ ഒരുപോലെ മനുഷ്യനായി കാണാൻ ആഹ്വാനം ചെയ്യുന്ന ആഘോഷം. ഉദാത്തമായ ഭാവനയാണത്, മലയാളത്തിന്റെയും മലയാളിയുടെയും സ്വകാര്യ അഹങ്കാരം. മറ്റൊരു ജനതക്കുമില്ലാത്ത ഏകത്വത്തിന്റെ ഉത്സവം. ഉച്ചനീചത്വത്തിനോ വർഗ വർണ്ണ ജാതി വ്യവസ്ഥക്കോ, മത വിശ്വാസങ്ങൾക്കോ പൂർണ്ണമായും സ്വന്തമാക്കാൻ പറ്റാത്ത ഉത്സവം. കേരളീയനായ ഏതൊരാളും അഭിമാനത്തോടെ നെഞ്ചേറ്റുന്ന ഉത്സവം. അതാണ് നമുക്ക് ഓണം. കാലാനുസൃതമായ മാറ്റങ്ങൾ വന്നെങ്കിലും മലയാളിയുടെ ഗൃഹാതുരത്വമായി എന്നും ഓണം നിലനിൽക്കുന്നു.

ഈ മഹാമാരിയിലും നമുക്ക് ഓണം ഒരു ആവേശവും ഊർജ്ജവും ഒക്കെ തന്നെ. ജീവിതരീതികളിൽ, ശൈലികളിൽ, പെരുമാറ്റത്തിൽ എല്ലാം സമൂല മാറ്റങ്ങൾ വരുത്തിയ കോവിഡ് നമ്മുടെ ഓണാഘോഷങ്ങളിലും മാറ്റം ആവശ്യപ്പെടുന്നു. മാറ്റങ്ങളോടെ നാം മലയാളികൾ ഓണം ആഘോഷിക്കും, ആസ്വദിക്കും.

പൊതുജനാരോഗ്യ രംഗത്ത് ഐ.എം.എ. യുടെ സേവനങ്ങളും ഇടപെടലുകളും ഏറെ ആവശ്യമായ സന്ദർഭമാണിത്. നിതാന്ത ജാഗ്രതയോടെ നാമത് നിർവഹിച്ചു പോരുന്നുമുണ്ട്. പൊതു ജനങ്ങൾക്കും ആരോഗ്യ പ്രവർത്തകർക്കും വേണ്ട മാർഗനിർദ്ദേശങ്ങൾ ഐ.എം.എ. നൽകി വരുന്നുണ്ട്. ഓണത്തിരക്കിനിടയിലും ഈ മഹാമാരിയെ ചെറുക്കുന്ന കാര്യത്തിൽ ഉപേക്ഷ പാടില്ലല്ലോ. കോവിഡ് പ്രതിരോധത്തിലും രോഗീ ശുശ്രൂഷയിലും വ്യാപൃതരായിക്കൊണ്ട് തന്നെ നമുക്ക് ഈ ഓണം ആഘോഷിക്കാം, ശാരീരിക അകലം പാലിച്ചു കൊണ്ട്, വ്യക്തിശുചിത്വം സ്വായത്തമാക്കിക്കൊണ്ട്, ശരിയായ രീതിയിൽ മാസ്ക് ധരിച്ച് കൊണ്ട്.

ഐ.എം.എ. അംഗങ്ങൾക്ക്, സഹോദരങ്ങൾക്ക് ഏവർക്കും ആയുരാരോഗ്യസൗഖ്യം നേർന്നു കൊണ്ട്, അതിജീവനത്തിന്റെ ഓണം ഒരുമിച്ച് ആസ്വദിക്കാൻ എല്ലാ ഭാവുകങ്ങളും നേർന്നു കൊണ്ട്,

നിങ്ങളുടെ സ്വന്തം
ഭഗവാപിക്ഷുമാർ

PEPS IMA Activities – June 2020

As a part of our endeavour to help and assist our members in the wake of lockdown and scarcity of infection control Equipments we supplied personnel protection Equipments and infection control kits to wherever needed. IMA PEPSMED ensures protection of medical fraternity by supplying all the medical equipments and items.

We are co-ordinating the supply of Bio Medical Waste collection Bags & Containers to all the Health Care Institutions and CFLTCs for collecting COVID Bio Medical waste all over Kerala. We are also doing consultation services for CFLTCs based on their enquiries. Almost 250 CFLTCs were temporarily affiliated till June 2020.

In Government sector we have supplied Equipments worth Rs 300977/- at ESI Alapuzha and Equipments worth Rs. 85200/- at Govt General Hospital, Adoor. Also we have submitted a Quote to ESI, Palakkad at Rs. 303660/- for supplying Ophthalmic Instruments.

I Safe Network

I Safe Network Infection Control Training was conducted on 9th June 2020 at 3 PM for those who have not attended the Zonal trainings. Large number of members were trained in this meeting.

On 15-06-2020 conducted zoom platform training on I Safe Infection Control Training at 3.00 PM. The training was inaugurated by Dr. Abraham Varghese, State President in the presence of Dr. P. Gopikumar, State Secretary, Dr. Sreejith N. Kumar, Chairman PEPS & Dr. Cyriac Thomas Secretary PEPS. Above 100 institutions attended the training and the sessions were headed by our senior leaders Dr. Jayakrishnan AV, Dr. Pradeep Kumar VG, Dr. Sreekumar RC etc.

The second phase of I Safe Network was established with the intention to enrol small (OP alone) and medium institutions (upto 20 beds) for continuing Infection control practice. 418 institutions joined in the Network. Training on infection control was carried out on Zonal basis with six districts in North, four in mid and four in south zones. Training was given to Doctors on zoom platform. Paramedical staffs were also encouraged to participate. 351 institutions underwent the training. Further a new set of infection control kit was send to these institutions free of cost. German consulate helped in sponsoring the kits. These kits comprised of 3 Layer Masks, Premium 3 Layer Masks, Gloves, Disinfectants, Sanitizers, Soap Solutions and Face Shield. They were also provided with a certificate and poster for display.

PEPSMED SALES REPORT – JUNE 2020

| SL. No. | Item | Qty |
|---------|--------------------------------|-------|
| 1 | FFP-2 Mask | 1450 |
| 2 | Face Shield | 593 |
| 3 | 3 Layer Mask | 24764 |
| 4 | Soap Solution | 26 |
| 5 | Disinfectant | 31 |
| 6 | Gown | 12 |
| 7 | Gloves | 8600 |
| 8 | Tissue | 5 |
| 9 | Handrub | 202 |
| 10 | IR Thermometer | 41 |
| 11 | PPE Kit | 382 |
| 12 | Alcohol Swab | 10 |
| 13 | Cotton Roll | 15 |
| 14 | Syringe | 17 |
| 15 | ECG Machine | 1 |
| 16 | Scalp Vein Set | 9 |
| 17 | IV Set | 5 |
| 18 | Gauze | 23 |
| 19 | Spirit | 2 |
| 20 | IV Canula | 250 |
| 21 | HIV Card | 50 |
| 22 | HCV Card | 50 |
| 23 | VDRL Card | 50 |
| 24 | HBSAG Card | 50 |
| 25 | ABD RH Reagent | 1 |
| 26 | Hood Cap | 20 |
| 27 | Stethoscope | 5 |
| 28 | X-ray Viewer | 4 |
| 29 | Cot with Bed Rails | 1 |
| 30 | Glucometer | 2 |
| 31 | Sanitizer Dispenser Stand | 8 |
| 32 | Delivery Kit | 100 |
| 33 | Cesarean Kit | 100 |
| 34 | Kawach Mask (incl. I Safe Kit) | 15000 |

IMAGE - COVID BIOMEDICAL WASTE MANAGEMENT – UPDATE– JUNE 2020

IMA Goes Eco-friendly or “IMAGE” has become a “synonym” for the Biomedical Waste Management for Kerala. During this Covid pandemic, IMAGE is the only agency managing the biomedical waste generated during the diagnosis, care & treatment of Covid Patients in Kerala.

This prestigious project of Indian Medical Association - IMAGE - commenced its operation in the year 2004 and its plant is situated in Kanjikode, Palakkad. IMAGE is presently the largest Common Biomedical Waste Treatment Facility in the Country and the only such facility for the entire state of Kerala. IMAGE is governed by a Managing Committee of 45 Committed Doctors from the Indian Medical Association, headed by the IMA State President, State Secretary & Chairman, Dr. V. U. Seethi.

As on June 30th, IMAGE is giving service to 15,876 institutions, including all Govt. Healthcare Centres across the Kerala. Of this, 153 Centres are affiliated to IMAGE for their Covid Biomedical Waste management.

Since 19th March 2020, IMAGE has managed 389 M. Tonnes of Covid Biomedical Waste. Including this Covid waste, total biomedical waste managed by IMAGE per day is average 48 Tonnes. The entire waste is transported on the same day & scientifically treated and disposed-off within the next 24 hours, in the IMAGE Plant.

The success of Covid biomedical waste management is depended on the proper segregation of waste at the source; and “IMAGE” is giving continuous training to all its affiliated institutions for this proper segregation, as per the colour codes described in the BMW Management Rules. Yellow Buckets & double-layered bags are used for collecting the Incinerable waste, Red buckets & double-layered bags for the Autoclavable waste, White or transparent containers for the Sharps & Blue Containers for the Metals & Glass.

The Covid Biomedical Waste Management is done separately from the regular biomedical waste by IMAGE; and both these are monitored separately through the IMAGE software (<https://imaimage.biz>) & tracking applications of both CPCB & IMAGE (COVID19BWM App & IMA- IMAGEHCE App).

IMAGE is using 60 GPS enabled Covered trucks; of this, 18 trucks are exclusively used for the collection & transportation of Covid Biomedical Waste. The vehicle management & tracking is done through a dedicated software (AVL view <https://app.avlview.com>).

IMAGE - is the best example for our responsibility to the Society.

SOCIAL SECURITY SCHEME III IMA KSB

REPORT OF ACTIVITIES DURING JUNE 2020

MEMBERSHIP STATUS

The total number of SSS III members enrolled till 30-06-2020 is **9928**

total number of active members is 9195 . At present the scheme can distribute rupees **45,97,500/-** as fraternity compensation (**9195 X 500**). Deleted members are 152 (111 member deleted due to failure in due payment & 41 members are deleted due to double entry and technical errors), demised members are 273, 211 members are suspended & 97 members are waiting for approval .

In this period **102 new members** have joined .

Following is the Districtwise total SSS III membership status :

| No. | District | In previous quarter (01/10/19 to 31/12/19) | In this month (JUNE 2020) | Membership till 30/06/2020 |
|-----|----------------|---|------------------------------|-------------------------------|
| 1 | Trivandrum | 35 | 10 | 1151 |
| 2 | Kollam | 11 | 07 | 655 |
| 3 | Pathanamthitta | 08 | 05 | 315 |

PEPS IMA Activities – July 2020

As a part of our endeavour to help and assist our members in the wake of lockdown and scarcity of infection control Equipments we supplied personnel protection Equipments and infection control kits to wherever needed. IMA PEPSMED ensures protection of medical fraternity by supplying all the medical equipments and items.

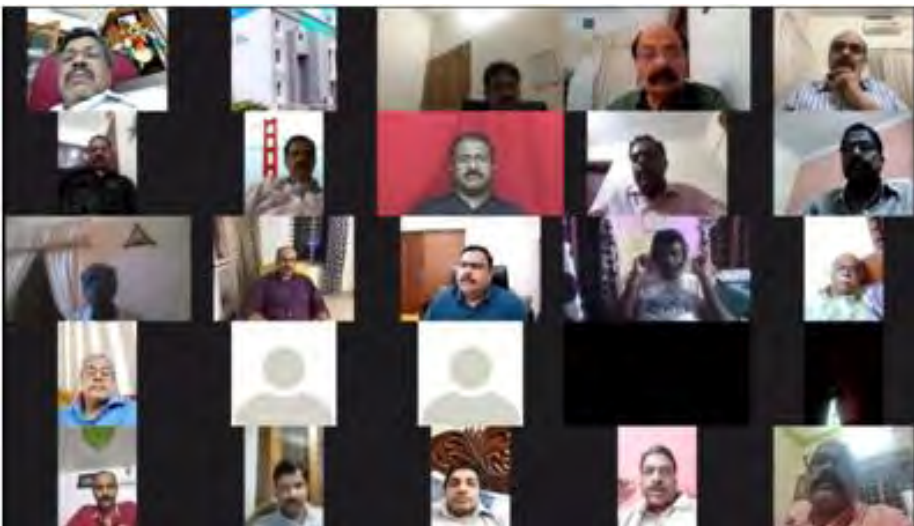

We are co-ordinating the supply of Bio Medical Waste collection Bags & Containers to all Healthcare Institutions and CFLTCs for collecting COVID Bio medical waste all over Kerala. We are also doing consultation services for CFLTCs based on their enquiries. Almost 500 CFLTCs were temporarily affiliated till July 2020.

In Government sector we have supplied Equipments worth Rs. 100000/- at ESI Alapuzha & ESI Thrissur. Submitted Quote to ESI Kottayam for Rs. 346813/- for the supply of Neonatal Items and submitted quote to ESI Hospital, Thrissur for Rs. 804493/-. Also supplied 5 disinfectant fogging machine to ESI Hospital, Alapuzha.

Based on the enquiries we have submitted quotes for X-ray Machine, US Scanning Machine, Fully Automatic Scanning Machine, OT light, UV Sterilization Box and different types of Microscopes etc.

I Safe Network

A Coordination Committee Meeting of I Safe District representative was held on 12th July 2020 at 7.30 PM to assess the current scenario, and the following decisions were taken. 1. Include Branch President and Secretary in the committee. 2. Proper infection control (N95/FFP2, face shields and PPES) protocol should be adhered. 3. District level training should be initiated. 4. Proper Testing facilities should be implemented. 5. Posters and safe practice advisory should be distributed. 6. Privilege group members can join training sessions and they will be provided items with subsidised rates.

The third phase of I Safe was opened on 04-07-2020 when new members were allowed to join. 342 more institutions joined as members. They were given training and the existing members were given refresher training again on Zonal basis on 23-07 (North Zone), 24-07 (Mid Zone) and 27-07 (South Zone). Second set of infection control kits were supplied to all the member institutions comprising of FFP2 Masks, Kawach Masks, Sanitizers, Face Shields and Disinfectants.

23.7.2020: Emergency Managing Committee Meeting to discuss the medical exigencies related to Covid Pandemic

IMA-KSB Ethics Committee

It is noted that incidences of violation of medical ethics are escalating at disconcerting rates in the state. The ethics committee has been frequently receiving complaints about doctors engaging in improper advertisements with photographs, and unrecognized qualifications..

These are gross violations of Section 6.1.1 of the Code of Ethics of IMC Regulations, 2002, ("...a physician shall not make use of his/her name as subject of any form or manner of advertising or publicity through any mode either alone or in conjunction with others ... as to invite attention to him or to his professional position, skill, qualification ...") and 6.1.2 (Printing of self photograph, or any such material of publicity shall be regarded as acts of self advertisement and unethical conduct).

Furthermore, TCMC has stipulated that:

"Practitioner shall display as suffix to their names only recognized medical degrees, and any additional qualification not registered in TCMC should not be exhibited in letter pads and name boards". Violations of this code may lead to punitive action..

MCI's Code of Ethics is specifically binding on the doctors and not the hospitals. So even if it is the hospital which is advertising, the practitioner alone will be held liable for the violation of medical ethics. It is the duty of the doctors to ensure that their employer does not use their photographs and unrecognized degrees.

A medical practitioner is permitted only to make a formal announcement in press on starting practice, changing type & address of practice, and about temporary absence from duty.

In this context, the members are notified that the IMA State Ethics committee is bound to bring such violations as mentioned above, to the TCMC, which may result in dire consequences. Offences are being frequently penalized violations of medical ethics, so that the number of such incidences comes down in future. by IMC and TCMC, with punishments from censure to temporary suspension of registration.

Hence all members are hereby cautioned to keep away from such

Dr. R. Ramesh
(Chairman)

Dr. V.P. Surendra Babu
(Convener)

Branch Activities - MAY 2020

COCHIN WEST

02.05.2020: Participated in Branch office bearers meet

13.05.2020: Executive meeting on 13th May 2020.
