IMA KSB/SS/HQ/259/2019-'20

Thiruvananthapuram, Dated 11.03.2020

To

Smt. K.K. Shailaja Teacher

Hon'ble Minister of Health and Social Justice
Govt. of Kerala, Thiruvananthapuram.

Dear Madam,

The whole health care system is keen to contain CoVid 19 and IMA is doing our part with utmost sincerity and dedication.

We understand that there is a scarcity of primary safety materials for the health care personnel, like face masks and hand sanitizers. Even though the undergraduate medical students are ever ready to assist in this endeavour, they must also be protected and adequate materials should be made available. Until sufficient stocks are made available it would be advisable to grant them leave to reduce the risk of spread of the disease since they have to mingle with symptomatic patients.

It's a request and we convey our apprehension. Hope you will look into and take necessary action.

Thanking you

Yours faithfully,

Dr. P. GOPIKUMAR
State Secretary, IMA KSB
